Financial Statements

Independent Auditor's Report

To the Board of Directors of Madame Vanier Children's Services

Qualified Opinion

We have audited the financial statements of Madame Vanier Children's Services, which comprise the Statement of Financial Position as at March 31, 2023, and the Statements of Operations, Net Assets and Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of Madame Vanier Children's Services as at March 31, 2023 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, Madame Vanier Children's Services derives revenue from donations and fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of Madame Vanier Children's Services. Therefore, we were not able to determine whether any adjustments might be necessary to donations and fundraising revenue, net revenue, fund balances and cash flows from operations for the years ended March 31, 2023 and March 31, 2022. Our audit opinion on the financial statements was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Madame Vanier Children's Services in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing Madame Vanier Children's Services's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Madame Vanier Children's Services or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Madame Vanier Children's Services's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to Madame Vanier Children's Services's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Madame Vanier Children's Service's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Madame Vanier Children's Services's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Madame Vanier Children's Services to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieve fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Madame Vanier Children's Services

Notes to Financial Statements

March 31, 2023

1. Description of the Organization

Madame Vanier Children's Services, ("Madame Vanier"), is a non-profit children's mental health centre incorporated without share capital under the Ontario Business Corporations Act. Madame Vanier is a registered charity as designated by the Income Tax Act (Canada) and as such is exempt from taxes on income.

Mission Statement:

Vanier Children's Services improves the lives of infants, children, youth, and their families through the provision of mental health services and supports based on clinical excellence, collaboration, partnerships, and system leadership.

2. Significant Accounting Policies

The accompanying financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are summarized below:

Fund Accounting

In order to ensure observance of the limitations and restrictions placed on the use of resources available, the accounts are maintained in accordance with the principles of fund accounting. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the objectives specified by the donor or in accordance with the directives issued by the Board of Directors. Transfers between the funds are made when it is considered appropriate and authorized by the Board of Directors.

Revenue and expenses related to contracted program delivery and administration activities are reported in the Operating Fund.

Other non-contracted programming, fund-raising, donations and related expenses are reported in the Restricted Fund.

Revenue Recognition

Madame Vanier follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions and all other revenues are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions restricted for the purpose of capital assets are deferred and amortized into revenue on a straight-line basis, at a rate corresponding with the amortization rate for the related capital assets. Government assistance revenue is recognized on the accrual basis at the end of the subsidy period.

Cash and Cash Equivalents

Cash as disclosed on the statement of financial position consists of cash on hand and balances with the bank.

Short-Term Investments

Short-term investments are recorded at market value and consist of guaranteed investment certificates with interest at 3%, maturing within 12 months.

Madame Vanier Children's Services

Notes to Financial Statements

2. Significant Accounting Policies (continued)

Capital Assets

Capital assets are recorded at acquisition cost. Contributed capital assets are recorded at market value at the date of contribution. Capital asset purchases having a useful life of greater than one year or which substantially extend the useful life of an existing capital asset are capitalized. Capital assets are amortized on a straight-line basis using the following annual rates:

Building	3.33%
Furniture & equipment	10 %
Computer	25 %
Vehicles	25 %
Playground	10 %

Financial Instruments

Measurement of Financial Instruments:

The organization initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions.

The organization subsequently measures all its financial assets and financial liabilities at amortized cost, except the investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in operations in the year.

Impairment:

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down and any subsequent reversal are recognized in net revenue.

Transaction Costs:

The organization recognizes its transaction costs in net revenue in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

Contributed Services

Contributed services by volunteers are not recognized in these financial statements due to the difficulty in determining their fair market value.

Use of Estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reported period. Specific estimates made by management include useful lives of capital assets, amortization rates and methods, deferred contributions related to capital assets, deferred contributions and Ministry of Health underspent funding repayable. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in excess of revenue over expense in the period in which they become known.

4. Bank Indebtedness

The bank indebtedness with Libro Credit Union is secured by a general security agreement, land and building with net book value \$393,495 (2022 - \$405,597). Madame Vanier has an authorized credit line of up to \$300,000. Interest is charged at prime plus 1.5% per annum. This debt is subject to financial covenant requirements with its lender. As at March 31, 2023, the organization is in compliance with its debt service coverage requirement.

5. Accrued Liability to Ministry of Health

The accrued liability to Ministry of Health ("MOH") represents revenue received in excess of expenditures for the children and family services provided to the Ministry. The amount repayable to the Ministry for the current year has been reflected below the net revenue on the statement of operations.

8. Financial Instruments Risk Management

Transactions in financial instruments may result in financial risks being assumed by the organization. The risks identified by the organization are as follows:

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The organization is exposed to credit risk from clients and family support services agencies. An allowance for doubtful accounts, if required, is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The organization does not have any significant credit risk concentration.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Organization's investments include marketable securities at fixed interest rates. Accordingly the Organization is exposed to interest rate risk resulting in changes to future interest rates earned on its marketable securities. The bank indebtedness (when utilized) is exposed to fluctuating interest rates. Accordingly, the organization's exposure to interest rate risk is dependent upon future market rates compared to rates currently established.

Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting financial obligations as they become due. The organization is exposed to significant liquidity risk without the support of its funding agencies and its bank.

It is management's belief that the organization is not exposed to significant currency or market risk. There has been significant changes in the nature, extent or concentration of the interest rate risk exposures from the prior year due to investment in guaranteed investment certificates during the year.
