

Position Available Child & Family Therapist

Position Summary:

Child & Family Therapist (CFT) provides direct mental health services to children and their families. This role includes provision of individual, family, and group therapy utilizing a wide range of treatment modalities within the multidisciplinary context, with emphasis on attachment based, trauma informed interventions, and brief counselling modalities and strategies. The CFT will provide a wide range of services described above, including single-session therapy in Talk in Clinics in both London and Middlesex.

Education/Training/Experience:

- Master's degree in social work, Psychology, or relevant from a university with recognized standing
- Experience within at least one model/area of specialization in child or family therapy
- Previous clinical experience working with children and families
- Training in a variety of treatment modalities, including a supervised practicum in one of the areas of child development or family development and functioning
- Registration in good standing with a professional college, ex. OCSWSSW or CRPO (Qualifying candidates will be provided supervision according to Vanier supervision policies).

Abilities:

- Verbal communication skills necessary to convey information, participate in or lead group discussions, engage team members in group decision-making and conduct community workshops.
- Ability to complete comprehensive assessments, which include clinical formulations and treatment recommendations, and incorporate third-party reports and case histories from outside agencies
- Authors accurate and concise reports, forms, and treatment goals.
- Demonstrates an anti-oppressive practice framework in their work with families.
- Demonstrates understanding and clinical skills in trauma, attachment-based interventions, and brief and single-session therapy.
- Abilities to work in partnership with families, collaterals, and co-workers.
- Clinical judgment in assessing situations of client risk is required for example, risk of suicide, risk of child abuse.
- Computer skills to work with Microsoft Office 365 and agency data management systems
- Ability to work remotely as required through reliable wi-fi (portable device supplied by employer)
- Organizational skills to efficiently manage and prioritize multiple tasks and assignments

Vanier is committed to building a diverse workforce reflective of Canadian society. As a result, it promotes employment equity and encourages women, Indigenous persons, persons with a disability and members of visible minority groups to apply.

Vanier is committed to developing inclusive, barrier-free selection and appointment processes and work environments. If contacted in relation to this process, please advise the organization's representative of your need for accommodation measures which must be taken to enable you to be assessed in a fair and equitable manner.

Vanier is committed to taking every reasonable precaution to protect employees, our clients/families, and the healthcare systems in the communities in which we serve. To protect the wellbeing of our employees and clients, full COVID-19 vaccination is an essential requirement of all positions at Vanier. As such, all offers of employment will be conditional upon either (i) proof of full COVID-19 vaccination or (ii) proof of need for accommodation under relevant human rights legislation, and Vanier's determination that the requested accommodation can be provided without undue hardship. You will be required to submit proof of full vaccination or proof of need for accommodation during our background screening process.

While we appreciate your interest, only those selected for an interview will be contacted. Any information obtained during the course of recruitment will be used for employment recruitment purposes only, and not for any other purpose.
